EXECUTED A FRANCHISE

SOUTHWESTERN TELEGRAPH AND TELEPHONE COMPANY.

Have Over 750 Subscribers—Greenville is Seventh Exchange on the System.

The Southwestern Telegraph and Telephone Company yesterday executed their franchise agreement with the city giving in the number of 661 telephones. This, however, does not include their local service in the country surrounding, which, when included, gives them a total of over 750 telephone subscribers. This is a very considerable gain over the past year. They have in the operative department fourteen young ladies, who with their chief supervisor comprise an operating force that it would be hard to surpass in the excellence of their service.

Because at frequent intervals it is necessary to employ new operators and because it takes many months for them to learn all the numbers of our subscribers, patrons will find that their local calls will be completed quickly and more accurately by looking up all numbers in the latest directory of the company.

If a call is passed to a new operator by name she is obliged to look up the number which delays not only your call but calls of many other patrons.

Our city can well be proud from a commercial standpoint, as it is the seventh largest exchange in the amount of long distance business done. Forty-two toll lines enter the Greenville exchange, practically all points large and small in this country. As a whole the Greenville exchange is in an excellent condition. W. T. Winchester, the new manager of the commercial department here, is a pleasant and courteous gentleman, and will be endeavoring to give the very best service to the patrons of the exchange and has brought his family here to become a part of the citizenship of the city. They are welcome as residents here.

Best of the Season at Lyric.
Rae Reeves, the single act at the Lyric, is by far the best of the season. His singing and talking are in a class by themselves. His work called for repeated encores. The vaudeville artists, Martinez and Jefferson, who bill their act as a "Bit of Non-sense, are a pair of real comedians. Their act opens with a line of good clean jokes that gives you just a glimpse of what is yet to come. The comic song of "Ephraim Brown" by Miss Jefferson is a scream. The violin selection, "Wild Cherries," by Mr. Martinez shows him to be an artist of ability. Their closing dialogue and song is of their own creation and must be seen to be appreciated. Don't miss the Lyric today or tomorrow if you want to see the best bill of the season.

Will Not Be a Candidate.
Mr. J. W. Mitchell, of Quinlan, was in the city yesterday and stated to a Herald reporter that while he at one time intended to make the race for county treasurer, he had now definitely determined not to become a candidate. He fully appreciates the offer of support by his friends but does not feel warranted in offering for the office.

Secured An Acquittal.
Hon. J. T. Jones returned on Sunday from Tom Green county, where he was engaged in the defense of W. D. Knowles, of Alaska. Mr. Jones secured the acquittal of his client, who accompanied him this far on his way home. Mr. Jones is very much elated over the result of the trial as it was a most unusual and complicated case.

Signs of the Times—Past, Present and Future.

It has been said that the future could be partially told by past and present. In the past people of Greenville and Hunt county traded for furniture most anywhere, until nearly a year ago. At the present, they are trading where they find prices and quality combined to meet their needs. In the future they will continue to do this. Quite a number have been trading here. Will you not join the wide-awake number of buyers?

HONORABLY DISCHARGED.

Has Now a Good Position With the Santa Fe Road.

Mrs. C. C. Carlisle has received word that her son, Charley Briscoe, has received an honorable discharge from the Navy. He was stationed at San Francisco, at the Presidio, and had a perfect record from start to finish. He is expected home soon on a visit.

Charley now has a good position with the Santa Fe road at Hanford, a new town of 8,000 population in California. He was in 1903-4 one of the carriers on the Greenville Herald. His friends will be glad to hear of his advancement.

THROWN FROM A TRAIN

E. LEE, NIGHT YARD OPERATOR, SEVERELY INJURED.

A Train Hand Cut His Coat With a Knife and Threw Him Off Caboose.

At midnight last night E. Lee, third trick operator at the West Katy Yards, jumped on the caboose of a southbound freight to ride out to the office. A brakeman ordered Lee to get off, Lee replied, "I will when we get to the office." The brakeman then struck at Lee with a knife, cutting through his overcoat, coat and vest, but did not reach his body. The brakeman then kicked Lee off and he fell across a switch which disabled him. Later a switch engine coming along brought him to the depot, where medical aid was summoned. Mr. Lee was bruised on the head and body but just how badly could not be decided at the time.

The funeral services were conducted at 10:30 yesterday morning by Father Bassi and the burial was in East Mount cemetery, beside his wife. The children have the loving sympathy of many friends in their orphanage.

Mr. Briscoe Withdraws.

Isham W. Briscoe withdraws from the race for county clerk. A position was offered him by J. M. Boykin and he felt that it would be to his interest to accept the position which is a very satisfactory one and therefore withdraws from the race. He wishes to thank every one who has in any way taken interest in his candidacy. Mr. Briscoe is a man of sterling character and many will regret that he is out of the race. He appreciates this kind feeling toward him very much.

Give Your Boy a New Year Present.
of a savings account of his own, then teach him how to build a "BANK CREDIT" for future use.

The amount of the account at the start is of minor importance. Placing him in the way of learning practical business methods, the value of thrift, economy and the accumulation of small sums, is what counts.
A growing bank account is recognized by business men as a recommendation—they realize the fact that it makes for sobriety, conservatism and a better, broader citizenship.

Start your boy right—come in NOW and open an account for him. Give him the bank book as a New Year's present. See our 4 per cent saving in this paper, in which we give away \$250.00.

THE PYTHIAN SISTERS

MEETING AT THE K. OF P. HALL LAST NIGHT.

District Deputy Grand Chief Started Organization of a Temple Here.

The Knights of Pythias held open house at their Castle Hall last night and entertained their friends and the ladies of their families. The object of the meeting was to have a social evening and start the organization of a temple of the Pythian Sisters, for which purpose Mrs. J. L. Cole, District Deputy Grand Chief of the Pythian Sisters, was here. Chancellor Commander George Davidson called the meeting to order and after explaining that the program would be short on account of the unavoidable absence of some of the speakers, asked Rev. C. Pugsley to make a talk on "Pythianism." Rev. Pugsley's talk was very interesting as he told of the things for which "Pythianism" stood and the many things it did to help the helpless and make this world better.

Rev. W. E. Grahama was asked to make a talk on "The Good of the Order" and after giving a sketch of the organization of the Knights of Pythias just after the close of the war between the states and what it had accomplished toward uniting the different sections in one bond of friendship he told of the efforts made to relieve the distress of the helpless and the widows and orphans of its members.

Deputy District Grand Chief Mrs. J. L. Cole was then introduced by Chancellor Davidson, who explained that the meeting was for the purpose of organizing a temple of the Pythian Sisters. Mrs. Cole explained the objects of the Sisters and the steps necessary for organizing a Temple. After her talk she asked for signatures to the applications for a charter and thirty-five were secured. The charter will arrive in about two weeks and then the organization will be completed and the officers of the Temple installed.

There was then a lecture by Rev. Grahama on the story of Damon and Pythias upon which the order is founded, a stereotyped was used to illustrate the story. Adjournment was then taken to the Booster Club rooms, where refreshments had been prepared and were served to the guests. In the front room was a large bowl of delicious fruit punch which Misses Willie Laaster and Jewel Young served to the guests. In the Auditorium tables had been placed and after an invocation by Rev. Pugsley the guests were served with all kinds of good things. An orchestra furnished music during the entire evening. It was an occasion which all enjoyed to utmost everybody had a good time. The Sir Knights certainly know how to make an affair enjoyable.

Lecture at Pompey.

Secretary Erickson, of the Booster Club, will lecture at Pompey school house at 7 o'clock next Saturday evening on the needs of agriculture. He will also take the opportunity to become acquainted with those present. Prof. J. A. Thomas will also be present and speak. The management hope there will be a large attendance of town people as well as the farmers.

LON DRAPER IS SAFE.

His Parents Received a Letter From Him Yesterday.

Mr. and Mrs. I. H. Draper received yesterday a letter from their son, Lon, written Dec. 23rd from El Topacio, Nicaragua, which brought the welcome news of his safety. Lon and four other foreigners were between the lines for more than a month. He writes, "The mines have been shut down about 40 days. We have spent most of the time playing host to the Nicaraguan army, the number of our guests varying from five to fifty officers at a time. Some were very fine fellows. We also had some of the Revolutionaries under General Malutty."

"I have read the account of Groce and Cannon's deaths and subsequent results, namely the renunciation of the presidency by Zelaya. Groce had worked for us here at the mines. I did not know Cannon." He writes that they expect to have a merry Christmas by reading two months mail.

The news of Lon Draper's safety is welcome to his relatives and many friends here.

THE SONG SERVICE.

Was Largely Attended at Kavanaugh Church Sunday Night.

A crowded auditorium greeted the song service at Kavanaugh church Sunday night. The program was given as published in the Herald Sunday morning. Miss Kirtley handled the organ with her usual skill and grace.

The singing was splendid, every piece showing careful practice. The soloists were Mrs. Will P. Bouyes, Misses Perryman, Freeman and Payne, and each showed herself a vocalist of rare merit. The two selections by the male quartette consisting of Messrs. Morris, Jones, Henner and Harrell, were effectively sung, as was the duet by Miss Freeman and Mr. Harrell. The entire program was a delight to those who heard it.
